

Timberline®
America's #1-Selling Shingles

Millions of families find peace of mind under a Timberline® roof thanks to the right combination of beauty, performance, and reliability.

We protect what matters most™

It's never just a roof. It's a promise, kept.

Providing a home means making a promise — of shelter, security, and stability. It says to the people who count on you, "You're going to be safe, dry, and warm under this roof."

Choosing a genuine Timberline® roof is a great way to help keep that promise.

Choose a system built to protect

Much more than high-quality shingles, the GAF residential roofing system has multiple layers that work together to provide durable, weather-resistant protection.

Install any GAF Lifetime[†] shingle and any 3 qualifying GAF accessories and get a Lifetime[†] Limited Warranty on your qualifying GAF products plus non-prorated coverage for the first 10 years.

For even stronger coverage, ask your GAF factory-certified contractor¹ about enhanced GAF warranties.

Rooftop Accessories

Specialty accessories engineered to help keep the system dry, strong, and looking its best

[†] Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime shingles only. See the *GAF shingle & Accessory Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime shingle and at least 3 qualifying GAF accessories. See the *GAF Roofing System Limited Warranty* for complete coverage and restrictions. For installations not eligible for the *GAF Roofing System Limited Warranty*, see the *GAF Shingle & Accessory Limited Warranty*. Visit gaf.com/LRS for qualifying GAF products.

It's the first name in architectural shingles

Literally. When GAF introduced Timberline® Shingles more than 50 years ago, we created a whole new category of roofing. Known as “laminated” or “architectural” shingles, Timberline® set a new standard for innovation and style. Today, a Timberline® roof protects 1 in 4 U.S. families and it's the #1-selling shingle brand in America.

your home and lifestyle at **gaf.com/vhr**

It's engineered to endure

A GAF roof is built tough. Proprietary GAF Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. In fact, GAF Timberline® Shingles are warranted to withstand winds up to 130 mph.¹

Timberline® Shingles that feature LayerLock® Technology may qualify for the WindProven™ Limited Wind Warranty — the industry's first wind warranty with no maximum wind speed limitation when installed with the required combination of four qualifying GAF accessories.²

Timberline® Shingles earn the highest roofing fire rating — UL Class A, Listed to ANSI/UL 790.

See how GAF LayerLock® Technology mechanically fuses and strengthens the common bond between shingle layers.

¹15-year 130 mph wind speed coverage requires special installation and use of GAF starter strip shingles; see *GAF Shingle & Accessory Limited Warranty* for details.

²15-year WindProven™ Limited Wind Warranty covers GAF shingles with LayerLock® Technology only and requires the use of GAF starter strips, roof deck protection, ridge cap shingles, and leak barrier or attic ventilation. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. For installations not eligible for the WindProven™ Limited Wind Warranty, see *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions.
